

Partnerships

The Burdekin Junior Eisteddfod gives volunteers within the Community a chance to work with the committee in creating an event that will allow the youth of North Queensland to show case their talents and capabilities on stage.

Along with this the Eisteddfod also seeks sponsorship from businesses, individuals, and organisations who also believe that the youth of North Queensland should have the opportunity to develop their skills, self-esteem and state experience.

This sponsorship does not go unrecognised by the community or the committee, sponsors are acknowledged in the local newspapers, the official program and also the eisteddfod website.

Each year schools, teachers and parents from North Queensland play a vital role in preparing each and every competitor for competition and the eisteddfod sees hundreds of competitors and parents pass through it's doors and support its sponsors.

Committee members liase directly with sponsors, parents, teachers and competitors with the hope of each year providing a more beneficial eisteddfod than the last, for all involved.

The Organisation

The Burdekin Junior Eisteddfod was founded in 1983 by a group of local people who found there was a need in the community for the youth to showcase their cultural talents. The first Eisteddfod ran for only two days and included sections from the Music and Drama disciplines.

Over the years the Eisteddfod has developed into a cultural extravaganza spanning two weeks and encompasses Highland, Irish, Speech & Drama, Music, Dance, Art and Literary disciplines and attracts competitors from as far as Gladstone, Cairns and west to Hughenden. Each year around 2000 youth from these areas make their way to the Burdekin to compete in this highly regarded competition.

The two week competition is a culmination of 12 months hard work of dedicated volunteers who collectively are working towards the further development of each competitors skills, self-esteem and stage experience.

This year and into the future the Burdekin Junior Eisteddfod hopes to grow and develop with the ever changing needs and desires of our youth.

Reporting

The Burdekin Junior Eisteddfod will be accountable for any sponsorship money received. At the time of the Annual General Meeting, held in the second half of the year, all major sponsors of the Burdekin Junior Eisteddfod Inc have the right to request a copy of the current years financial reports.
